Title: China State Shipbuilding Corporation LTD – Efficient and Cooperative Partner in Shipbuilding

Description: China State Shipbuilding Corporation Ltd. (CSSC) was established on October 14, 2019, by the joint reorganization of the former China State Shipbuilding Corporation and the former China Shipbuilding Industry Corporation. It is a completely state-owned enterprise. With proficiency in technology and shipbuilding, the company earned an undisputable position in the global maritime market. The company achieved a renowned place among its competitors in the global shipbuilding industry.

Presently CSSC has

advanced as the strongest comprehensive trading company and maritime defense equipment exporter in the Chinese shipbuilding industry.

CSSC is able to provide high-quality assurance to the customers by employing the most advanced technologies and innovations through the cooperation of the devoted professional and committed staff of the company. CSSC has an extensive network of branches around the world ensuring high-quality, convenient service and support to our customers at home and abroad. CSSC is always ready to give undeniable support and cooperation to its customers to maintain a healthy client relationship.
