Title: Singapore Maritime Week (SMW) 2023

Description: The much awaited event of the year – 17th edition of Singapore Maritime Week – will be commencing on 24-28 April 2023 at the global maritime hub, Singapore. Singapore Maritime Week is an annual gathering focusing on the challenges in the maritime industry and sharing the ideas to bringing up the sector. Conducted by Maritime and Port Authority (MPA), in collaboration with industry stakeholders and research and educational institutions. The event will be reflecting discussions, forums and speech by maritime industry leaders. The theme of this year is “Ambition Meets Action”. The complete layout of the event is provided in [Singapore](#)
