Common

Title: ISRAEL SHIPYARD
Description: Since 1959, Israel Shipyards Ltd has been providing seaworthy solutions for the Naval and commercial marine markets.

Israel Shipyards is the preferred address for all challenges in shipbuilding:

- Ship Design, Ship Repair
- Purchase & renovation of vessels
- Project management & execution
- Customer training
- After-sales service
- Technical and logistical support

Besides shipbuilding, the plant of Israel Shipyards - covering 330,000 sq. meters with 45,000 sq. meters of under-roof facilities - offers a full range of manufacturing possibilities for ship-to-shore and land-based structures.

Expert craftsmanship is evident throughout the life of every ISL vessel or sea platform:

- Smart design & construction
- Comprehensive testing
- Strict quality assurance
- Long-term service

In addition, Israel Shipyards operates a floating dock in Haifa Bay, where our team provides a wide variety of services to both Naval and Commercial vessels.

Israel Shipyards professionals draw on the experience of our company that goes back more than 50 years, building a reputation for excellence on four continents.
